Vision for the Future Workshop

Jim Cannon
SRTP Programme Director

Dr. Hamish McRitchie
SRTP Medical Director

Guy Southcott
SRTP Programme Manager

Objectives for the Workshop

To develop a transformational vision that describes the nature and delivery of Radiology Services 10-15 years from now but focussing on actions in the first three years

Scope of the Vision

- Radiology Services in Scotland
- From August 2019 – 2034
- Focus on actions in the first three years
- These actions will feed into:
 - Vision Document
 - Next business case

Previous work

- Visioning Workshop 2016
- Initial Strategy Development 2017 (Nov)
- SRTP Vision Workshop Mar 2018
- Draft Vision presented at Programme Board in May 2018

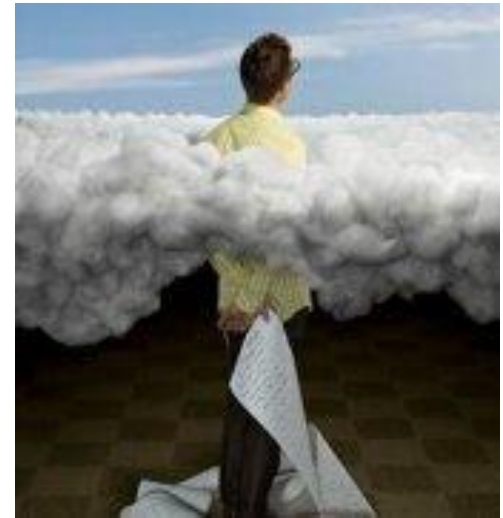

Vision and Challenge

- Patients selecting their exam and booking?
- Basic images acquired in the community?
- Patient choice in imaging?
- Ultrasound for all in the patients home?
- CT screening for everything?

Vision and Challenge

- AI identifying the abnormalities?
- Central resource of remote reporters for difficult cases?
- Dispersed nationally employed resource for face to face advice?
- International expert reporting/advice networks?
- Added value of clinicians – changed different?

Vision and Challenge

Should not be constrained by:

- Current Working Practices;
- Funding Models;
- Managerial Structures; or
- Workforce Models
